Provided that, when the Commissioner proposes to make a declaration under this sub-section, he shall give written notice of the proposal to the owner or owners of the drain or works in question and shall take no further action in the matter until either one month has elapsed without an objection against his proposal being lodged under sub-section (2) or, as the case may be, until any objection so lodged has been duly considered.

(2) An owner aggrieved by the proposal of the Commissioner to make a declaration under sub-section (1) may, within one month after notice of the proposal is served upon him, appeal to the Provincial Government or to such officer of the Provincial Government as the Provincial Government may designate by order in the *Official Gazette* in this behalf and shall, if he so appeals, give written intimation of the fact to the Commissioner.

Provided that, if by reason of anything done under this section any person is deprived of the lawful use of any drain, the Commissioner shall, as soon as may be, provide for his use some other drain as effectual as the one which has been discontinued, closed up or destroyed or the use of which has been prohibited.

(3) If the person upon whose application such additional Police are employed shall at any time make a written requisition to the appointing authority to which the application for the employment of additional Police was made, for the withdrawal of the said Police, he shall be relieved from the cost thereof at the expiration of such period not exceeding one month from the date of the delivery of such requisition, as the State Government or the appointing authority, as the case may be, shall determine.

48. (1) Whenever it appears to the State Government or a competent authority that—

(b) the period for which the additional Police is to be employed :

Provided that the period fixed under clause (b) may be extended by the State Government from time to time, if in its opinion it is necessary to do so in the general interest of the public.
